Education

Bachelor of Technology (CSE) IPS College of Technology and Management	Expected 2026 Gwalior, India
Intermediate(12th) MP Board Green field Hr.Sec. School 88%	2021-2022 Gwalior, India

Technical Skills

Languages: Java, JavaScript, HTML, CSS

Frameworks & Libraries: React, Node.js, Express.js, Tailwind

Database: MongoDB

Tools: Postman, Git, VS Code

CS Fundamentals: Operating System, Computer Networks, DBMS, OOPs

Projects

Task Manager

- **Tech Stack:** MongoDB, Express.js, React, Node.js (MERN) [Github](#)
- Developed a **100% responsive** task managing application using the MERN stack.
- Implemented **CRUD operations** for task management with MongoDB database.
- Built a user-friendly UI with **React** and styled it using **Tailwind CSS**.
- Set up **RESTful APIs** using Express.js and Node.js for seamless communication between the frontend and backend.

Book Management Website

- **Tech Stack:** React, JavaScript, HTML, CSS, Bootstrap [Github](#)
- Developed a **responsive application** to manage a collection of books with a clean UI.
- Designed and implemented components using React for adding, editing, and deleting book entries.
- Managed application state **using React hooks** (useState, useEffect) and Stored book data using browser's localStorage to simulate persistent data handling.

Ecommerce Website

- **Tech Stack:** React, Node.js, Express.js, MongoDB, Bootstrap, Postman [Github](#)
- Built a full-stack ecommerce site with product listings, cart, and order placement features.
- Created **RESTful APIs** using Express.js and integrated MongoDB for data storage.
- Implemented user **authentication** using JWT and role-based access control.
- Designed responsive UI with React and Bootstrap; tested APIs using Postman.

Achievements AND Experience

- Solved **100+ Coding Problems** on GeeksForGeeks and Leetcode showcasing exceptional problem-solving skills and proficiency in algorithmic thinking.
- 15 Days **Training Certificate** on C++ , In this training session I got much knowledge of programming skills and concept on problem solving.
- **Web Development Intern** –VerveBridge (Virtual) completed a virtual internship focused on frontend development using HTML, CSS, JavaScript, React.
